

Arts Project Australia

The Arts Project Australia gallery opened in Northcote, Melbourne in 1988. Work produced by artists attending the Arts Project Australia studio-workshop is exhibited at the Arts Project Australia gallery as well as in commercial galleries, both in Australia and overseas. Artists work in a range of media including painting, drawing, printmaking and animation. Arts Project Australia aims to integrate its artists' work, which may otherwise be seen as marginal, into the wider realm of contemporary art practice.
