Established in 1991, Gallery East was founded on a deep love of Japanese woodblock prints reflected in a policy of regular exhibitions celebrating the work of great Ukiyo-e artists. Gallery East carries fine examples of original Japanese prints, including Shunga (erotic images) from the 18th, 19th and 20th Centuries.

Gallery East is a member of the Australian Commercial Galleries Association (ACGA) and the Association of Western Australian Art Galleries (AWAAG). Its directors are Authorised Valuers for the Commonwealth Government's Cultural Gifts Program.
